**MAKE YOUR BOAT LOOK “JUST DETAILED” IN *MINUTES*  
WITH MEGUIAR’S® QUIK CLEAN MARINE**

**IRVINE, Calif., (April 2007)** – For years dedicated car nuts have known about Meguiar’s Quik Detailer, the fast and easy spray-and-wipe that gives paint that showroom perfect shine in minutes. Now boaters can get that same “just detailed” look with Meguiar’s Quik Clean Marine spray, the missing link between washing and waxing. Developed for boat owners who want to keep their boats protected and glistening, its special formula makes gelcoat and paint shine like a mirror despite the harsh conditions of the marine environment, all without the hassle of hauling out a bucket and hose.

Quik Clean Marine quickly and safely removes unsightly fresh water spots, damaging mineral deposits, salt spray, exhaust scum and other loose contaminants with minimum effort. The easy to use spray and wipe formulation maintains a boats high-gloss finish between washings while preserving its eye-catching shine.

Developed with advanced surface care technologies unlike anything on the market today, Meguiar’s Quik Clean Marine is available in a 16-ounce, easy-to-stow spray container.

**About Meguiar’s Marine & RV**

*Meguiar’s marine care products- starting with M08 Mold Release Wax – have been the industry standard for more than 50 years. Working closely with fiberglass boat builders from the very beginning, and being responsible for the original high gloss finishes on fiberglass boats around the world, Meguiar’s remains on the leading edge of modern marine appearance care with a comprehensive line of high performance products covering every aspect of boat, personal watercraft and RV care. As part of its passionate support for the auto, marine and RV enthusiast market, Meguiar’s created “Car Crazy Television,” seen weekly on SPEED and “Car Crazy Radio,” which airs weekly in over 120 markets nationally. For more information, please call Meguiar’s at 800-347-5700, see Meguiar’s at <http://MarineRV.meguiars.com> or [www.meguiars.com](http://www.meguiars.com) or join their online discussion forum at [www.meguiarsonline.com](http://www.meguiarsonline.com).*
